## INTRODUCTION

Part one of the Federal Magistrates Court of Australia 2004-05 annual report contains an annual review of the Court's work, examining the major legal and administrative developments over the year.

Part two provides a brief introduction to and overview of the Federal Magistrates Court — its establishment, objectives, organisational details and jurisdiction.

Part three contains information on the performance of the Court, the work of the Court, examples of cases, information on complaints and appeals, court circuits and primary dispute resolution information.

Part four contains information on governance, corporate planning, performance reporting and review, remuneration of senior executives and an analysis of financial performance.

Information about external scrutiny and management of human resources is contained in part five.

Part six contains information on purchasing, asset management, consultancies and competitive tendering and contracting.

Financial statements are contained in part seven. Appendixes in part eight provide details on staffing levels, report compliance, resources, presentations, consultancies and fraud control.
